THE BULL IN WROTHAM

Inspiration from the USA meets the English passion for barbecue: the smokehouse menu at The Bull in Wrotham is a festival of high quality meat cooked to perfection by 2 AA Rosette and Michelin listed chefs.

The Bull Hotel is the only destination for **authentic BBQ food** in Kent. Their specialist Ole Hickory Pits wood-burning smoker (the only one in the whole of Kent!) cooks the meat **low and slow** for hours using a secret combination of carefully selected woods, deepening the meat's flavour, leaving it moist and butter soft.

From the **10-hour alder smoked pulled pork** brioche bun (£11.50) to a pint of **fruity chilli chicken wings** (£7) and the **smoked Ox cheek and tail burger** (£11.50), this is a menu fit for meat eaters everywhere! It has proved a great hit for summer parties and now The Bull can bring the party to you!
